HW 1340 (BST)

LW 2016 (BST)

Courses

Class letter in GREEN indicates leave marks to Starboard

Class letter in RED indicates leave marks to Port and pass marks in reverse order

The Turning Mark follows the listed marks on all courses

St Mawes buoy is a mark on every course and must always be left to the north

Course	Rounds
1 Black Rock Buoy, North Bank, St Just	2
2 Black Rock Buoy, Vilt	2
3 Black Rock, St Just	2
4 Carricknath, Trefusis, Vilt	2
5 Carricknath, Tavern	2
6 Carricknath, Vilt	2
7 Castle, Vilt	2
8 Castle, Waterloo	2
9 Castle, Trefusis, West Narrows	2
10 Castle, Trefusis, Vilt	2
11 Governor, Vilt	2
12 Governor, West Narrows	2
13 Long Lodge, Tavern	2
14 Long Lodge, Governor	2
15 Pendennis, West Narrows	2
16 Pendennis, Vilt	2
17 Castle, Trefusis, West Narrows, Trefusis	2
18 Black Rock, Northbank, West Narrows, Northbank	2
19 Carricknath, Vilt, South Narrows, Vilt	2
20 Black Rock, St Just, Waterloo, St Just	2

The marks sponsored are:

Carricknath by SKB Sails

Trefusis by Penrose Sailmakers

Pendennis by Pendennis Shipyard

Waterloo by Mylor Chandlery and Rigging

Class flags are to be flown by classes E, U, G, B and C

ORGANISING AUTHORITY: The Organising Authority is St Mawes Sailing Club in conjunction with St Mawes Social Club.

RULES: The races will be governed by the rules as defined in the Racing Rules of Sailing (RRS) except as changed by these sailing instructions.

RISK STATEMENT:

1. Rule 3 of the RRS states: “The responsibility for a boat’s decision to participate in a race or to continue racing is hers alone”. Sailing is by its nature an unpredictable sport and therefore inherently involves an element of risk. By taking part in the event each competitor agrees and acknowledges that :

1.1. They are aware of the inherent element of risk involved in the sport and accept responsibility for the exposure of themselves, their crew and their boat to such inherent risk whilst taking part in the event.

1.2. They are responsible for the safety of themselves, their crew, their boat and their other property whether afloat or ashore.

1.3. They accept responsibility for any injury, damage or loss to the extent caused by their own acts or omissions

1.4. Their boat is in good order, equipped to sail in the event and that they are fit to participate.

1.5. It is their responsibility to familiarise themselves with any risks specific to this venue or to this event drawn to their attention in any rules and information produced for the venue or event.

1.6. They accept that provision of a race management team, patrol boats and other officials and volunteers by the event organizer does not relieve them of their own responsibilities.

1.7. They accept that provision of patrol boat cover is limited to such assistance, particularly in extreme weather conditions, as can be practically provided in the circumstances.

1.8. The fact that the race committee may conduct inspections of a boat does not reduce the responsibilities of each competitor set out in this notice of race.

1.9. The acceptance of these sailing instructions in no way limits the declared responsibility of competitors or places any liability on the Organizing Authority, its officers or representatives.

2. **PERSONAL BUOYANCY:** Competitors in dinghy classes and all competitors under the age of 18 shall wear approved personal flotation devices whilst afloat. Wet or dry suits are not adequate. RRS 40 (Use of Y flag) will not apply. It is the skipper’s responsibility to ensure that their boat carries sufficient life jackets for all its crew. It is also the skipper’s responsibility to ensure that all persons on board wear life jackets when appropriate.

3. **RENDERING ASSISTANCE:** If any boat is in serious difficulty and requires assistance, the nearest boat is expected to stand by and assist if possible until the arrival of a safety boat.

4. **INSURANCE:** All competitors taking part in the event must be insured against third party liability for at least £3.000.000, underwritten by an ABI company or Lloyds of London.

Failure to comply with any of the above will constitute grounds for protest and disqualification by the race committee without a hearing. This changes RRS 63.1.

5. **STARTING LINE:** This is an imaginary line through the yellow flagstaff on the quay and the yellow pole at the apex of the sailing club roof. Boats must pass between the outer distance mark (Flag D) and the inner limit mark (Flag I). For classes B and C only Flag I is not an inner limit mark and can be disregarded thus extending the starting line to the quay wall. The outer distance mark and the inner limit mark are not necessarily on the starting line.

6. **TURNING MARK:** This is a mark positioned centrally and to seaward of the starting line displaying a blue diamond and Flag T. It must be left on the same side as the course being sailed.

7. **FINISHING LINE:** This is the same as the starting line boats crossing in the opposite direction to the start. Boats (including classes B and C) should cross the line between the outer distance mark

(Flag D) and the inner limit mark (Flag I)

8. STARTING SIGNALS: RRS 26 will not apply. A warning signal will be made 10 minutes before each class start followed by a preparatory signal 5 minutes before each class start in the order printed. At the warning signal for each class the appropriate class letter and course number will be displayed on boards on the clubhouse balcony. Flag P (Preparatory Signal) will be displayed 5 minutes before the start.

9. COMBINED STARTS: When more than one class starts together (i.e. V Sunbeams & J Rustler 24/Piper OD, and H Shrimpers & D St Mawes One Designs) they will sail the same course but may be shortened/abandoned separately, and their results will be counted separately.

10. INDIVIDUAL RECALL: RRS 29.1 Flag X will not be displayed. A second sound signal will be made. A flashing orange light may be displayed until all recalled boats have started correctly or 4 minutes have elapsed whichever is the sooner.

11. GENERAL RECALL: RRS 29.2 Flag 1st substitute will not be displayed. A second and third sound signal will be made. A flashing green light may be displayed until all boats have returned or 4 minutes have elapsed whichever is the sooner. The preparatory signal for the new start will be the starting signal of the last class to start.

12. SHORTEN COURSE: A flashing orange light displayed on the clubhouse as boats are approaching the finish line indicates shorten course signals are displayed. Flag S alone means all classes are shortened. Flag S alongside class letter(s) applies only to those classes. This means finish the race at the end of the current round.

13. ABANDONMENT: Flags N over A flown on the club flagstaff on the quay accompanied by 3 sound signals means racing for all classes is abandoned. Flags N over A over the class flag(s) applies to those classes only.

14. BOWSPRITS: The respective class associations of Falmouth Working Boats, Falmouth Gaffers, St.Mawes One Designs and the local Shrimper 19 class agree that for the purpose of the definition of 'Start' and 'Finish' and rules 21.1, 29.1, 30 and 44.2 of the RSS (but not for any other rules) the term 'hull' includes a boat's bowsprit in its normal position.

15. TIME LIMIT: RRS 35 will not apply. No boat will be timed in after 1730.

16. HANDICAPPING: Boats racing in classes E and U must provide a YTC number when entering. Boats that do not possess a valid 2022 certificate may apply for one online via the SWYTC website (www.swytc.org.uk). Boats racing in classes T & R will be handicapped by the PY system. Boats racing in classes G, B and C will be handicapped by the TCF system using the current numbers issued. Any adjustment in a handicap number is not grounds for redress. This changes RRS 62.

17. RADIO COMMUNICATIONS: All boats in classes other than T, R and K are required to carry VHF radios when racing. These radios must be turned on, tuned to Ch. M2/P4, and positioned so that at least one crew member can hear them. Course information and other information of use to competitors may be broadcast by the Race Officer. Any announcement or failure to receive an announcement is not grounds for redress. This changes RRS 62. Except in an emergency, a boat shall neither make radio transmissions while racing nor receive radio communications not available to other boats. This restriction applies to mobile telephones.

18. PROTESTS: The protest time limit is 1750.

19. PENALTIES: As permitted by RRS 44.1 the two turns penalty is replaced by the one turn

penalty

20. LOCAL VARIATIONS:

20.1 Competitors must keep well clear of commercial shipping at all times. A boat seen to hinder a commercial vessel will be subject to protest and possible disqualification by the race committee.

20.2 Caution should be exercised whilst sailing in designated mooring areas and in the vicinity of St Mawes Harbour. A boat shall not touch or fend off a moored vessel.

20.3 A two-length zone around a dive boat flying Flag A, an orange pillar mark indicating a diver beneath the surface and a diver on the surface are obstructions. A boat shall not enter the two-length zone.

20.4 No boat shall enter or manoeuvre in St Mawes Inner Harbour and to this end a continuous straight line between the southern side of the pier head to the south-eastern corner of the Idle Rocks Hotel is classed as a continuous obstruction.

21. RRS 37: the display of Flag V by the Race Committee regarding search and rescue instructions is deleted.

22. COVID 19: it is the policy of the Organising Authority that all boats should be compliant with current guidelines issued by the Government and the RYA regarding the Covid 19 pandemic, in particular by complying with Social Distancing guidelines. Each skipper is responsible for ensuring that their crew and boat comply with such guidelines.
