This calendar was designed & produced with the help & support of Eight Wire for the Port of Falmouth Sailing Association

Welcome to

The Port of Falmouth Sailing Association

The Port of Falmouth Sailing Association is delighted to welcome you to the 2025 Sailing Season. As this calendar shows, our clubs and class associations have put together another packed year of events in the unique sailing waters of Falmouth Bay and Carrick Roads.

PoFSA is a volunteer-led organisation that draws its members from the local Sailing and Yacht Clubs as well as the Class Associations.

One of our big events in the year is Falmouth Sailing Week which offers 7 days of racing in our beautiful harbour. In 2024, we innovated by hiring robotic race marks and are planning to do the same in 2025.

The historic Village Regattas form another feature of the season and add to the diversity of events in and around the harbour.

We hope you will find this leaflet informative. You can find further information on the PoFSA and individual club websites.

Falmouth Harbourmaster's website also has a calendar of general waterborne events.

Happy Sailing
